

Walk & Talk –Tell us where you'd like to see pedestrian improvements

Thank you for taking the time to participate in our Walk & Talk events and helping us prioritize possible low-cost pedestrian improvements along SW Admiral Way. After our discussion select two locations where you most like to see upgrades and your preferred treatments.

Circle the intersection you'd like to see improved.

Why does this intersection need safety improvements?

POSSIBLE TREATMENTS

Mark a **X** by the treatment you'd like to see installed. We will work with our traffic engineers to determine what is feasible and consider funding opportunities.
